About Hunton & Williams LLP

Hunton & Williams LLP provides legal services to corporations, financial institutions, governments and individuals, as well as to a broad array of other entities. Since our establishment more than a century ago, Hunton & Williams has grown to more than 1,000 attorneys serving clients in 100 countries from 19 offices around the world. While our practice has a strong industry focus on energy, financial services and life sciences, the depth and breadth of our experience extends to more than 100 separate practice areas, including bankruptcy and creditors rights, commercial litigation, corporate transactions and securities law, intellectual property, international and government relations, regulatory law, products liability, and privacy and information management.
